TOLLING SYSTEMS

Two ways of tolling are available to users of Slovenian motorways and expressways, depending on the category of their vehicle.

The vignette system is intended for vehicles whose maximum permissible weight is up to 3,500 kg, with or without a trailer. Purchase is mandatory to use toll roads.

The DarsGo System is toll charge per km driven for vehicles whose maximum permissible weight exceeds 3,500 kg and is stipulated by the government of the Republic of Slovenia. Toll varies based on the particular motorway

section and the toll-rate category or emission standard of the vehicle. All necessary arrangements regarding the DarsGo tolling system can be made online at www.darsgo.si.

Road Karawanks Tunnel – Bled is a toll road! Please check [DARS \(Slovene Motorways\)](http://DARS(SloveneMotorways)) website for more information. Vignettes could be purchased at petrol stations in Slovenia and neighboring countries, at offices of the national motoring organization and foreign motoring organizations, at post offices in Slovenia and at some newspaper stores.

A.5 LIABILITY AND INSURANCE

The organizer will not be held liable for any injuries to persons or material damage including those of third parties. All participants must have an adequate accident and health insurance.

OC Pokljuka recommends that you enquire about the possibilities of travel cancellation insurance.

A.6 IMPORT OF MEDICATION

Travelers arriving in the EU from third countries can bring in their personal luggage only the medications which they need for: their personal use, or personal use of their family members, or on the basis of an authorization, for personal use of a maximum of one individual who is not a member of their family.

The quantity of medications must be such as to imply relevant therapeutic use, as follows:

- for a maximum of three weeks for acute conditions,
- for a maximum of three weeks according to the prescribed dosage for chronic diseases or conditions which require long-term use of medications, or, exceptionally, for up to 12 months on condition that an individual furnishes proof of permitted residence in the target country in the respective period, unless the regulations regarding illicit drugs specify otherwise.

In case of medications which require a medical or a veterinary prescription, you must present to a customs authority a proof of a medical or veterinary prescription for such medications, when required.

More information can be found on the official website of [Financial Administration](#) of Republic of Slovenia.

A.7 IMPORT AND EXPORT OF RIFLES AND AMMUNITION

All participant nations may import and export rifles and ammunition into and out of Republic of Slovenia with valid "Weapon possession license" of the respective country of origin.

Only athletes or teams whose **first destination when travelling to European Union (Schengen countries)** is Slovenia have to announce rifles and ammunition to OC Pokljuka. Please fill in [Appendix A](#) and send it to OC Pokljuka office no later than **16 December 2024**.

Please note that dry shooting is not allowed in public areas in hotels. Ammunition and rifles must be stored separately.

A.8 RADIO EQUIPMENT

Radio devices can be imported and exported into and out of Slovenia. Usage of non-coordinated radio frequencies in Slovenia is not allowed. Teams have to announce in advance the type of radio device and frequencies (for all programmed channels on radio device) that will be in use during the competitions. Please see [Appendix B](#) – Application Form for temporary use of Radio Frequency that has to be filled in and submitted or send to the OC Pokljuka office no later than **16 December 2024**.
